CONSENT FOR TREATMENT

I hereby request and consent to the performances of chiropractic adjustments and other chiropractic procedures. This includes various modes of physical therapy and diagnostic x-rays on the named patient, for whom I am legally responsible, by the doctor of chiropractic named below and/or other licensed doctors of chiropractic who now or in the future work at the Healing Arts Center of Lenexa. I have had an opportunity to discuss the nature and purpose of chiropractic adjustments and other procedures with the doctor of chiropractic named below and/or with other clinic personnel. I understand that results are not guaranteed. I understand that in the practice of chiropractic, as in the presence of medicine, there are some risks. I do not expect the doctor to be able to anticipate and explain all risk and complications. I wish to rely upon the doctor to exercise judgement during the course of the procedure, which the doctor feels at the time is in the patient's best interest, based upon the facts then known to him or her. I have also had the opportunity to ask questions about its content, and by signing below I agree to the above named procedures. I intend this consent form to cover the entire course of treatment for the present condition and for any future condition(s) for which I seek treatment.
